CEO STATEMENT

My years of experience as a Civil Engineer have helped me to see the actual challenges of urbanization and property development. This is why G-briel Homes Cares Limited is here to resolve the challenges and bring about a sustainable property development approach for both low cost and luxurious housing.

Akingunloye Mayowa Gabriel
CEO G-briel Homes Cares Limited

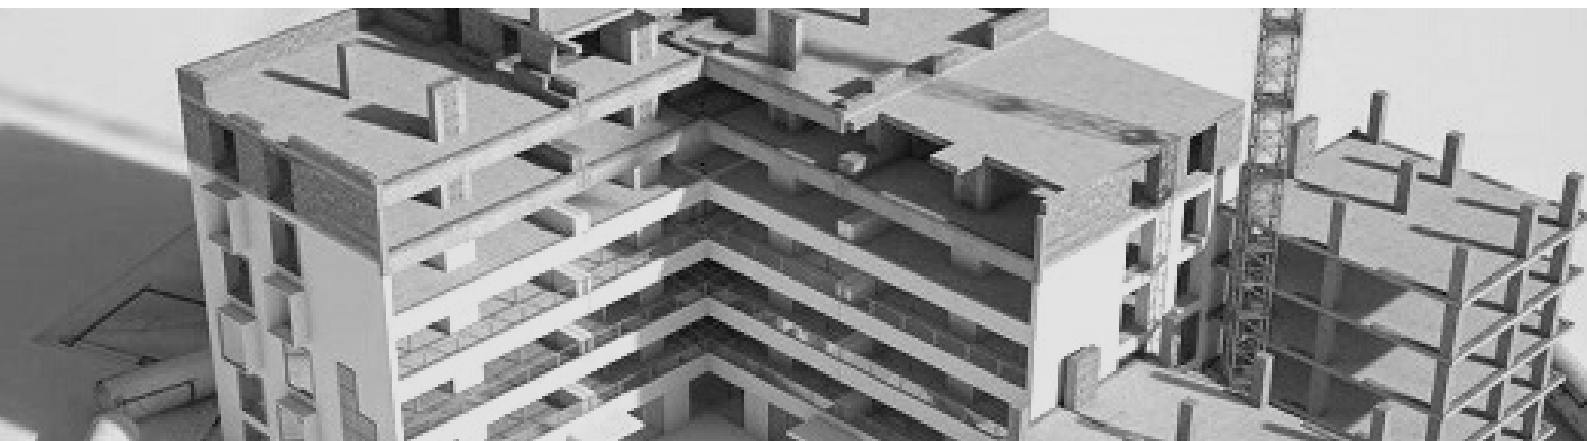

As a fast-growing property development firm established in 2021, we want to help solve remnant challenges in the real estate sector and as well bring an innovative solution to the issue of quality urbanization. Our team of staff was selected with proper investigation on their efficiency in handling properting investment and development situations.

ABOUT US

With too many organizations hiding under the title property developers, finding a trustworthy firm may be a hard nut to crack. We strive daily to ensure that we help our clients get their desired expectation when it comes to making property development decision.

We are a leading Nigerian-based property development company. We create inspiring and exquisite places that ensure lasting value for all through innovative development in the Nigerian market. Construction projects worth billions of naira are currently underway or have already been completed. And, with a slew of new projects in the works, we're Outperforming expectations. Our extensive market knowledge and experience enable us to deliver great ideas. We collaborate and innovate to find unique opportunities that improve the physical landscape and provide excellent results for our tenants, residents, and investors.

MISSION STATEMENT:

Acquire and develop prime real estate land assets, develop them into approved layouts, and sell them to customers at reasonable prices. Our motivation is to increase customer wealth and delight them.

VISION STATEMENT:

To be the best and most trusted name among Nigerian real estate developers, and to maintain high standards and our customers' unwavering trust in us.
